

DATE: **Saturday, August 26**, Ferris Farm, 62 S Mill Street, Milton, IN 47357, 9am-Noon

Speakers & Topics Include:

- **Jonathan Ferris, Purdue Extension Educator** – “Whitetail Management Basics.” Jonathan has put his Master’s degree in Fisheries & Wildlife to use on his family farm. Hear the simple steps that have made a huge difference!
- **Jayson Waterman, IDNR District Forester** – “Forest Management for Whitetails.” Jayson has been working with the Ferris family property for many years, and has first-hand knowledge of their forest management practices.
- **Kent Hanauer, IDNR District Wildlife Biologist** – “The Role of Native Warm Season Grass Plantings in deer management.” Learn how the Ferris’s have incorporated WSG plantings into their management plan.

Come join us for a fun and informative morning of “talking deer”. The Ferris family has been actively managing their 436 acres for whitetails for 15+ years, and have enjoyed tremendous success. Learn the simple steps they took, and the resources they utilized to accomplish their goals.

For more information, please call Purdue Extension in Wayne County at (765) 973-9281, or email: ferrisj@purdue.edu

Bring a lawn chair & bug spray – we will be OUTSIDE!
