Ag Plastics Drop Off

Sponsored by East-Terra Plastics

East-Terra Plastics is coming to Union and Wayne Counties on October 9th to collect 5 gal (or smaller) pesticide containers.

This is a FREE service organized by East-Terra, Wayne Union Recycle, and the Union and Wayne County Purdue Extension Offices to provide farmers with a safe way to dispose of these items.

Containers must be triple-rinsed or pressure washed and fully dried. Instructions can be found on our website at:
