

COVER IT, WAYNE COUNTY!

Interested in Cover Crops or establishing a Pollinator Habitat?

The Wayne County SWCD has grant funds available for 2025!

First Round **Applications due April 1, 2025**

****Land must not be enrolled in other cost-share programs for the same practice being applied for****

Cover Crop rate not to exceed \$30/acre, up to 75% of total cost, capped at \$10,000 per landowner, with approved seeding and seed tag verification.

Pollinator Habitat rate not to exceed 75% total cost, capped at \$1,000 per landowner, with approved seeding and seed tag verification that seed is free from all amaranths, noxious, and invasive species.

Applications and Ranking Sheet are required. SWCD Board of Supervisors shall have final determination regarding approved/denied applications.
